Membership in the Redfield Proctor Chapter of the National Honor Society is the highest honor the faculty can bestow upon students in grades 11 and 12. The requirements for consideration for acceptance are scholarship, leadership, service, and character. The group completes both group and individual service projects and participates in the Dr. Seuss' Read Across America Day. They are responsible for planning and conducting quarterly honors assemblies and the induction ceremony for new members.

The Proctor High School Student Council serves as a link between the student body and the administration of the school. Members are elected by their class. The Student Council plays a role in the community by providing an annual senior citizen's dinner and by organizing food drives. They also sponsor the Homecoming dance and other school activities. The Student Council is advised by Mr. Mott.

Girls and Boys State

Girls and Boys State is sponsored by the American Legion Auxillary. Delegates are selected based upon scholarship, leadership, character, service, and an interest in government. The delegates participate in a week long mock government at the town, state, and country levels. It is a fascinating experience and great way to learn about government and meet new friends from across Vermont.

Yearbook staff has worked many hours during study halls and after school to put together this year's Proctorian. "Never Before, Never Again" has become not only the motto of the yearbook, but also as a standing joke as our new advisors (Mrs. Brooks and Mrs. Molner) and staff figure things out as they go. We are pleased with the result, and hope that as the years go by former students at Proctor High School will look at the 2002 yearbook and be equally pleased.

This year's Winter Carnival was terrific. Students had the opportunity to show their school spirit and gain points for their class throughout the week. There was Hat Day, Maroon and White Day, PJ or Uniform Day, and Clash Day. The week also included hosting this year's spirit basketball games against West Rutland. Carnival day was a day of fun with traditional ice and outdoor games. Because of the lack of snow, outdoor games were played on the pavement, with little more than a sweatshirt needed for warmth. The indoor events this year were split into two groups; gym and indoor games. New for this year were quiz bowl, airplane toss, arm wrestling, and a crankshaft throw. Karaoke was brought back this year to end the day on a good note. The white team's winning rendition of 'YMCA' was unforgettable. DJ, you may have a future in the entertainment industry!

Winter Carnival

The senior class used this opportunity to have a great time with their last winter carnival.

The juniors, with their great athletic ability and class participation, received second place.

The freshmen never gave up, pulling in fourth after a day of hard work.

The sophomore class had great participation all week and ended on a winning streak taking home the cup!

The maroon team has their work cut out for them after sliding into sixth this year!

The white team moved their way into third place with motivation for next year!

Brendan Hurlbut received the Frank Buggiani Memorial Basketball Award for his play as a senior.

Kevin Canty was selected as All Marble Valley League second basketball team.

Jennifer Dobart was selected All Marble Valley League and Kelley Ouellette as All-MVL second team.

SPORTS

Wrestling

Andrew Thibault represented Proctor High School as an independent wrestler in 6 tournaments and several meets including the North South duals. He participated in the 189 lb weight class and practiced with OV under the coaching of Richard Blaire and Pete Bearor.

Andrew had a great season with 15 wins and 9 losses. Way to go Andrew! Andrew placed fourth in the State wrestling Tournament at Mount Anthony and received the 'Most Falls' trophy at a Middlebury Invitational.

Track

As the sole member of Proctor's track team, Kaci Stanley practiced each day after school with RHS. Kaci's competed in the 55m hurdle, the 55m dash, and the 300m dash, with a best time of 9.08 in the hurdles, and a 7.54 in the dash. At the State Championship she placed 10th out of 50 in the 55m dash and 2nd out of 20 in hurdles. At New England's Kaci ran against the 36 best hurdlers in New England, placing 23rd.

All in all, Kaci had a very successful and enjoyable season, and she is looking forward to her own Outdoor State Championship this spring. Let the races begin!

Varsity Boys' Soccer

Front Row: Will Spanos, Troy Ault, Josh Dobart, Anthony Blair, Ryan Dilts, Carlo Romeo, Kevin Canty, Kevin McMahon, Brett Regimbald, *Back Row:* Coach Ron Henderson, Kenny Crowningshield, Ronnie Cameron, Jeff Allenby, Matt Parker, Jason Corbo, Josh Westebbe, Jared Manning, Ryan Cameron, Michael Harger.

The Varsity Boy's Soccer Team had a tough season. With a record of 5-9-0, many of their losses were to higher division schools. In spite of many injuries, they were a team that never surrendered and had a number of truly great outings between the nets. The boys were unable to advance beyond the first round of the play-offs. It was a rough year but the Phantoms never flinched, never quit. The guys lose three team members to graduation - Anthony Blair, Carlo Romeo, and Ryan Dilts. The team is coached by Ron Henderson who completed his fifth season in 2001.

Varsity Girls' Soccer

Front Row: Megan Parker, Kristen McCullough, Keeley Lebo, Jennifer Dobart, Erin Gray, Erin Dewey, Vanessa Anderson, Erica Manning-Hickey, *Back Row:* Coach Jonathan Lopez, Mallory McDonnell, Ashley Dahlin, Becky Jenne, Stefanie Gray, Lauren Finnigan, Becky Beyette, Kelley Ouellette, Kayla Toher, Alyssa Mullan

The Varsity Girl's Soccer Team had a very successful season. The team finished with the outstanding record of 14-2-1. The girls won the Black River Tournament for the fourth year in a row, defeating both Green Mountain and Black River. The ladies made it to the State Championships for the third time in four years, and lost 3-2 in a tough battle against Wilmington. The team will miss the graduating seniors - Erin Dewey, Jen Dobart, Erin Gray, Keeley Lebo and Kristen McCullough. The team was coached this season by Jonathan Lopez in his first season with the Phantoms.

Junior High Boys' Soccer

Left to right: Coach Derek Weiss, Kyle Green, Ben Stein, Derek Blow, Gary Pelkey, Zack Cavacas, Kyle Trombley, Jared Weiss, Bradley Gordon, Alexander James, Justin Perkins

The Junior High Soccer season began with a co-ed team. Luckily, there were just enough players to create boys and girls teams. Though the teams had a tough season, under the direction of first-year coach Derek Weiss they had a lot of fun! The boys finished with a record of 5-7-0, and the girls ended their season with a record of 4-6-0.

Junior High Girls' Soccer

Junior High Boys' Basketball

Left to right: Coach Jason Salgo, Mike Jalbert, Kyle Tombley, Alex Salgo, Coach Rick Drake, Christopher Loso, Chris Parker, Craig Beyette

Small in numbers, the Junior High boys struggled through a tough season. In most losses though, they were very much in the game. As the season neared its end, the team showed clear improvement in its contests in the Otter Valley Tournament and against Black River. The Junior High Boys send five starters to the JV Boys team next season. The team was coached by Mr. Rick Drake, in his second year at Proctor, and was assisted by Mr. Jason Salgo.

Junior High Girls' Basketball

Left to right: Assistant Keeley Lebo, Michelle Haley, Kendra McMahon, Nicole Cavacas, Coach Aaron Audet, Coach Jonathan Lopez, Ann Horner, Jenna Coughenour, Stacey McCullough, Ashley McCullough, Jill Corbo, Jen Longley. Not pictured: Mr. Jim Corbo.

The Junior High Lady Phantoms were the incredible shrinking team during the 2001-02 season. Starting out with a robust roster of 15, the team ended the year with only 8 girls. Whether 15 or 8, the ladies played hard, gave a good account of themselves, and let their opponents know that no win would be easy. They were coached by Mr. Jonathan Lopez, in his first year at Proctor. He was assisted at times by Mr. Aaron Audet and Mr. Jim Corbo.

Junior Varsity Boys' Basketball

Left to right: Coach Jim Martel, Brian Perkins, Michael Brough, Shaun Beyette, Greg Miller, Coach Steve Allenby, Dan White, Greg Roth, Rob Clark, Matt Parker, Ryan Cameron, Josh Upson, and water boy Casey Blaisdell

Energetic and talented, the JV Boys cut a wide swath through a field of opponents this season. They won their own tournament (the Jason Roberts Memorial) for the second straight year by defeating Black River. They beat them again in their next meeting. They felled the Golden Horde in 2 of 3 meetings and defeated Wilmington in two straight contests. JV Phantoms had a very strong year and will hand four seasoned players up to the varsity team next year. The JV Boys are coached by Mr. Steve Allenby and Mr. Jim Martel, both in their second year at the JV helm.

Junior Varsity Girls' Basketball

Left to right: Coach Brad Lewis, Andrea Shahan, Olivia Kish, Becky Beyette, Amber Garrow, Megan Parker, Kristina Salerni, Mallory McDonnell

Ten Sophomore and Freshmen ladies formed the JV Girls basketball team through most of the season. It was a difficult season and they managed only a handful of victories. In JV Girls tradition, they never failed to give a good account of themselves, nor did they ever give, up even when the score was one-sided. The ladies were coached by Mr. Brad Lewis in his first year both as a math teacher and basketball coach at the high school.

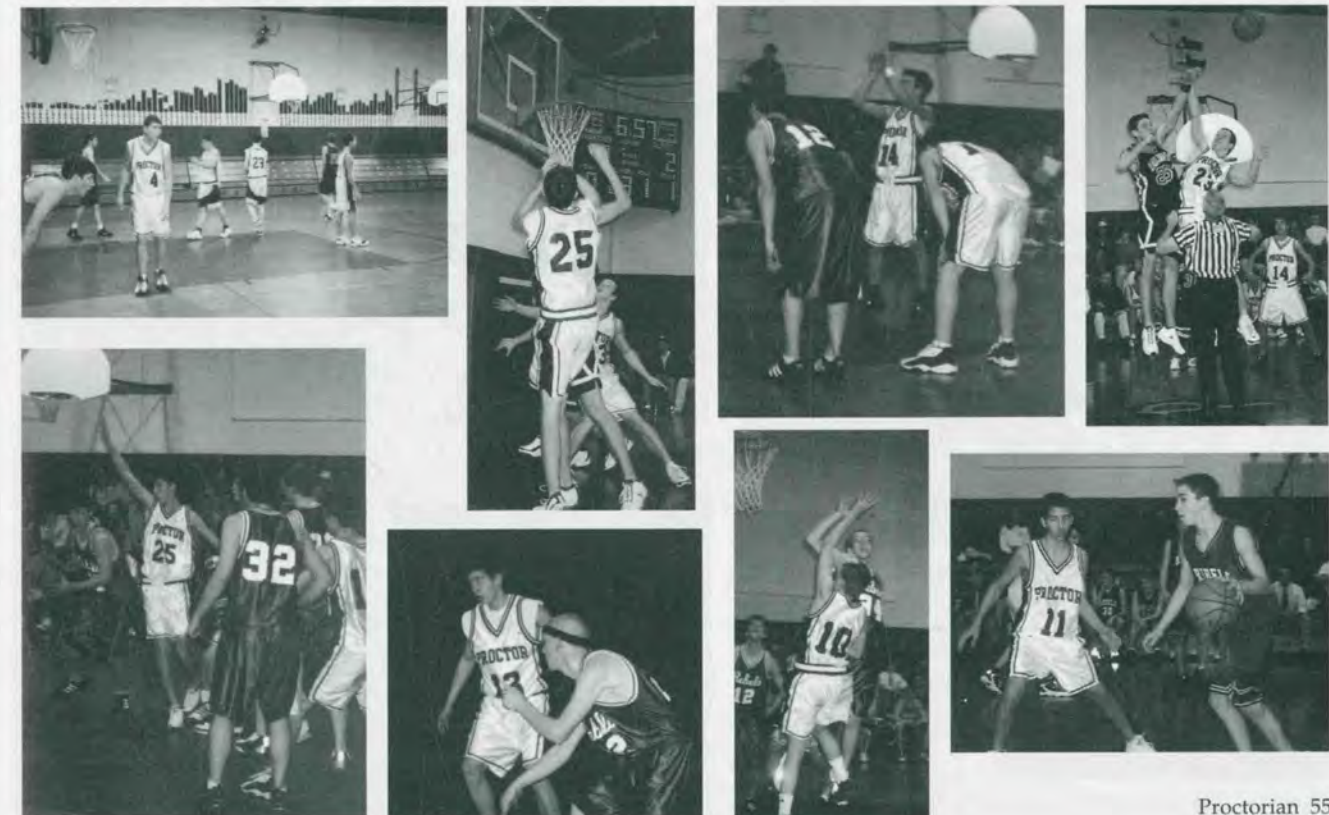

54 "Never before, never again."

Varsity Boys' Basketball

Left to right: Coach Dick Wilcox, Matt Parker, Shaun Beyette, Jeff Allenby, Shawn Blake, Ronnie Cameron, Kenny Crowningshield, Rob Clark, Michael Harger, Josh Dobart, Capt. Brendan Hurlbut, Kevin Canty. Not pictured: Brett Regimbald

Proctor's varsity boys basketball team struggled through a long season. They ended the regular season with a record of 6 wins and 14 losses. Throughout the season, the Phantoms frequently play up a division or two. Against their division IV equals, however, they split 5 wins against 5 losses. In their final game, round one of the division playdown, they nearly upset the reigning state champs. The Phantoms led through most of the game, losing to the The Blue Mountain Bucks, 49 to 44 in the final moments. The team loses only one senior, Brendan Hurlbut, to graduation. They are coached by Mr. Dick Wilcox who completed his second season as head coach.

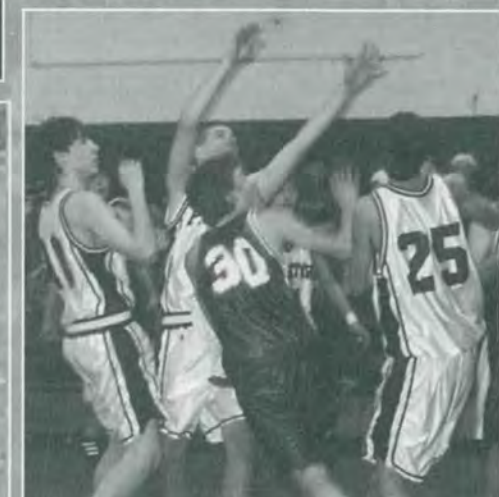

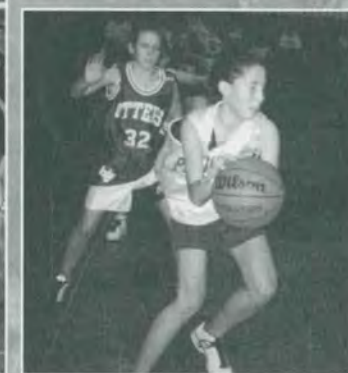

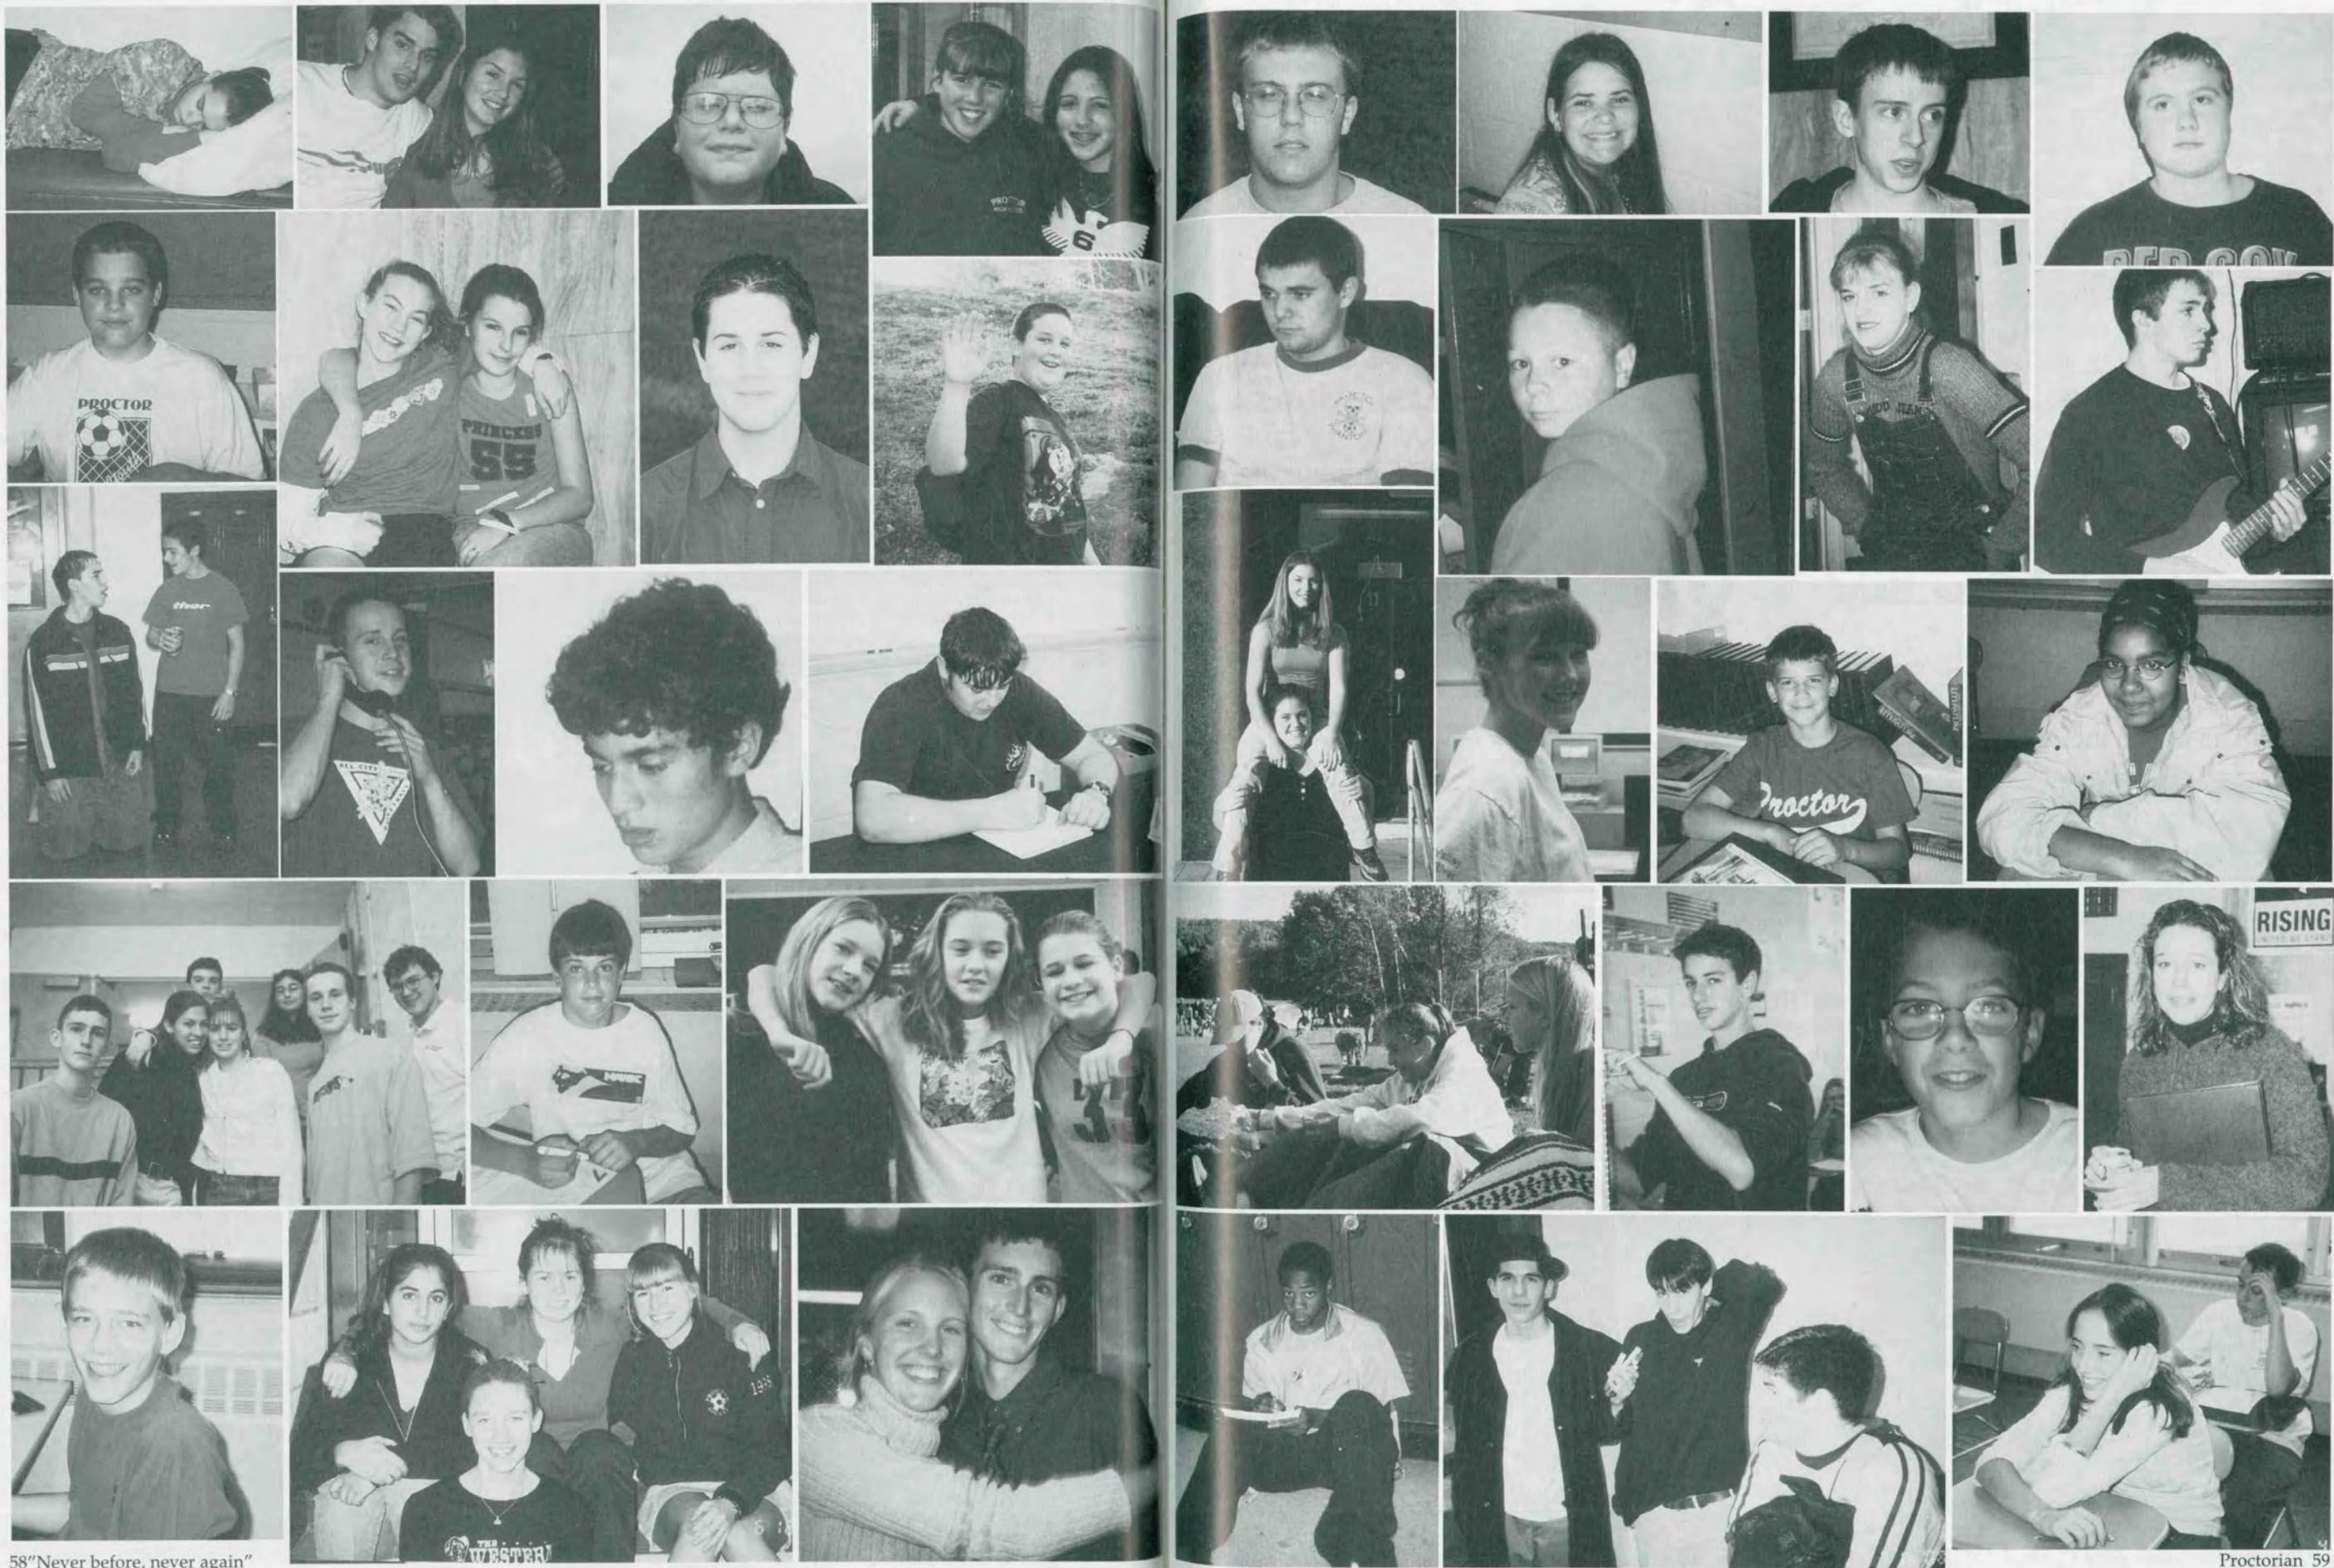

Varsity Girls' Basketball

Left to right: Asst. Coach Chris Boucher, Asst. Coach Brad Lewis, Erica Manning-Hickey, Stefanie Gray, Lauren Finnigan, Kelley Ouellette, Coach Randy Ouellette, Capt. Kristen McCullough, Erin Gray, Capt. Jennifer Dobart, Capt. Sarah Voigt

The Lady Phantoms ran into a few snags along the way this year, finishing 9 - 11 on the season. They split with West Rutland, Green Mountain, and Whitingham, but beat MVL rival Black River twice. The win against Green Mountain put the ladies into the championship round of the Black River Tournament for the fourth time in five years. The win in Whitingham was on a floor known more for its lack of friction than lack of size. For the third time in four years the ladies trudged to Canaan, just inches from the Canadian border, for the playoffs. They finished their season in a squeaker with the Eagles. The team loses four seniors- Jennifer Dobart, Erin Gray, Kristen McCullough, and Sarah Voigt to graduation. Mr. Randy Ouellette finished his fifth season as head coach.

Our Response to September 11

Students and faculty gathered on the front lawn on the Friday afternoon following the tragedy. We came together by reciting the Pledge of Allegiance, joining the chorus in singing "God Bless America", and listening as Mr. Lewis read the poem: "The Vital Things in Life". Mr. Krulikowski challenged us to keep our grief as grief, not as hatred.

Mrs. Sherman kept the library open throughout the day for students to watch the events unfold and the world's reactions to it all.

At 12:00 noon, one-month following the bombing, we joined the rest of the nation in a moment of silence.

We will always remember where we were when tragedy struck.

The Peer Leaders held a car wash in support of the September 11th disaster relief fund. One person left a \$500 donation. The day was a great success!

The Junior High Peer Leaders sent a letter to rescue workers at Ground Zero in January. The letter offered encouragement and support. The letter was initiated and written by students.

"...We all want you to know that you are not forgotten, even in a little town in Vermont...."

Ethnic Folksinger Visits Proctor

Rik Palieri entertained students with his energetic performance by singing an old ballad on a fretless banjo, stomping out a Leadbelly style blues on the 12 string guitar, squeezing out an exotic instrumental on the Polish bagpipes, plucking a tune on the ozark mouth bow, blowing a mournful melody on the Native American flute, and demonstrating his method of circular breathing on the didgeridoo. He had students stomping, clapping, singing, and yodeling by the end of the performance. Thank you Academic Boosters for sponsoring the event.

Booker's Traders

This year Mr. Booker's Accounting I and II students had to maintain a stock market portfolio which contained fictitious weekly trades on the New York Stock Exchange.

Good-bye, Mrs. Clark

Saying good-bye to the lady who taught us how to sew the best pillows, how to act at a job interview and make the most delicious chocolate chip cookies...

Mrs. Clark.

As a very dedicated teacher for many years, Mrs. Clark has done so much more than teach. She has been heavily involved in our Peer Leaders program; she headed the two-day Peer Leadership Training for years. Mrs. Clark was the National Education Association's area director for the Rutland area for over ten years. She was the NEASSC coordinator in 1997, which involved over 200 hours of organizing the NEASSC's 3-week observation of our school.

For years, Mrs. Clark spent countless hours editing the school's newsletter. She has also been involved in the Green Mountain Teen Institute program, has coordinated the receptions for the National Honor Society Inductions, chaperoned Hulbert trips, and has brought many anti-drug/alcohol speakers into our school. Whether teaching us the 'levels of communication' or how to make the best stir-fry, Mrs. Clark will certainly not be forgotten. Mrs. Clark, as you leave us, always remember,

"Be well. Do good work. Keep in touch." -Garrison Keillor

Year in Review

Paul Todd & the Alterboys' debut concert was a success! In addition to their originally scheduled concert, they opened for Mr. Audet's band at the Winter Carnival Dance and played again for the home crowd in the spring. Maybe someday we'll all be able to say, "we knew them when..." when they make it big.

Read Across America

In celebration of Dr. Suess's birthday, on March 1, 2002, members of the National Honor Society read stories to students at Proctor Elementary School.

Austin, Second to the right,
and straight on till morning...
To the brightest star in our sky:
May all your hopes
and dreams in life come true.

Love Mom, Dad, and Whitney

Stetson - Congratulations on
making it through the PHS
gauntlet! We are all really proud
of you and expecting great things.
Best of luck with college.

- Adam and Family

Jon, I love you more than
pussywillows and daffodils and
pretty purple petunias...
Hope all your dreams come true.
(A briefcase full of food and
your own office with a view.)

Love Mom, Dad, and Mary

Congratulations, Justin.
Good luck to you in the years to
come, may you always have good
health, good friends, and good
memories! "2002"

Love, Your Mother

Jennifer, May you always keep that
twinkle in your eye, and keep striving
to be bigger and better! We love you.

Mom, Josh, and Matthew

Tuki - "I hope you still feel small when
you stand beside the ocean, Whenever
one door closes I hope one more opens,
Promise me that you'll give faith a
fighting chance, And when you get the
choice to sit it out or dance. Dance...
I hope you dance." Lee Ann Womack

Love Ya, Mom, Dad, and Jess

Gwen- In the end, the songs you sing
are your own inventions.
Enjoy life, be kind, and be yourself
and you'll go far.

Love always, Mom, Dad, and Jessica

Erin- As you move on to the next phase
of life, we wish you love and happi-
ness.

Mom, Dad, and Stefanie

Kristen, we are so proud of you and all that you have accomplished. Thanks for all the laughs and memories. It's been a joy!

Love, Mom, Dad, and Stacey

Keeley- May the angel of strength always walk with you and may your dreams come true.

Love, Mom, Dad, and Michael

Kacey- How quickly the years have flown by; each one has been so special! My love will always be with you - wherever you go.

Love, Mom

Sarah- I am so proud of you - Keep on smiling and follow your dreams - I love you very much.

Congratulations to the Class of 2002!

We wish you well as you follow your dreams.

Your future is as bright as you make it.

May you go far and burn brightly!

Mr. and Mrs. Krulikowski

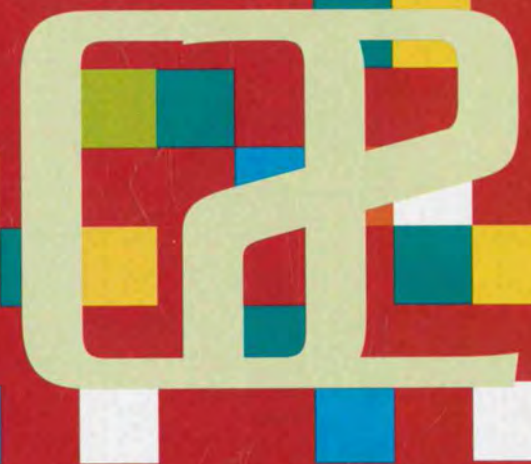

As the the year winds down and our 2002 Proctorian goes to press, we are excited about the final results. We chose our theme for this year's book, "Never Before, never again" because it completely describes the Class of 2002. In their own words, "There has never been a class like ours before, and there will never be one again!"

This theme took on new meaning as the yearbook came together. With Mrs. Molner and Mrs. Brooks as first time advisors, we all had a lot of learning to do. After a successful first year they are already making plans and recruiting for next year. We would like to thank both the yearbook staff and advisors for all of their hard work; for all of the extra hours spent after school and during vacations with bags of M&M's, page designing lessons 'without the mouse', and meeting all of our deadlines on time. The time and effort it takes to put together a yearbook truly tested the staff's patience and dedication, but we persevered!

We hope that this yearbook preserves your memories of the Proctor 2001-2002 school year, and that the Proctorian 2002 is something you will treasure forever!

Proctorian 2002 Editors,
Sarah Voigt & Erin Dewey

Kick Butts!

The Jr. High Peer Leaders joined a national smoke-out action in the spring. They encouraged smokers to "Kick Butts" for a day and plastered the walls with antismoking posters.

Students joined in on the fun when the **Burlington Taiko Drummers** played during an assembly sponsored by the Academic Boosters in May. Taiko brings together the vibrant sounds of Japanese festival drums with beautifully choreographed movement that results in an exciting and memorable experience for the audience.

Becca VanHorn and Sam Parker entered their popsicle stick bridge in Norwich University's **Bridge Building Competition** and placed 2nd out of 50. Their bridge was able to support 909.92 pounds and had a resistance factor of 1579.14, which was the ratio of the failure load to the dead weight of the bridge. Way to go Becca and Sam!

Death by Chocolate!!

The Peer Mentors appealed to the chocolate lover in all of us and combined fund-raising with fun in order to raise money to fund leadership training. Students and community members created their favorite desserts. Everyone was invited to pay one price and eat and eat until they could eat no more. Judges awarded prizes based on presentation and taste.

Selected students from each grade participated in a 2-day **harassment awareness and prevention training workshop**. Students came away with a better understanding of what harassment is and were challenged to be positive role models in our school community.

The event wouldn't have been complete without a little role playing!

Community members gathered on the front lawn of the school on a beautiful June evening to hear the band, jazz band, junior and senior high choruses, and madrigals as they presented their **Spring Concert**.

Spanish Field Trip

Spanish I & II classes travelled to the Hopkins Museum of Art at Dartmouth College in March to see the murals of Jose Clemente Orozco. These famous murals depict Hispanic American history.

White Water Rafting

The **high school band** ended the year with an adventurous white water rafting trip down the Hudson river. Though some seemed to spend as much time in the water as they did on the raft, everyone made it back in one piece. It was a great way to build teamwork and have fun.

April surprises us all...

In Vermont: What in heck happened?

RUTLAND HERALD

Quake rattles Vt., Northeast

Many of us experienced our very first earthquake around 7 a.m. on Sunday, April 21st. It measured 5.1 on the Richter scale!

Who would have guessed we would be heading home from school in the middle of a snow storm on April 22nd?!?

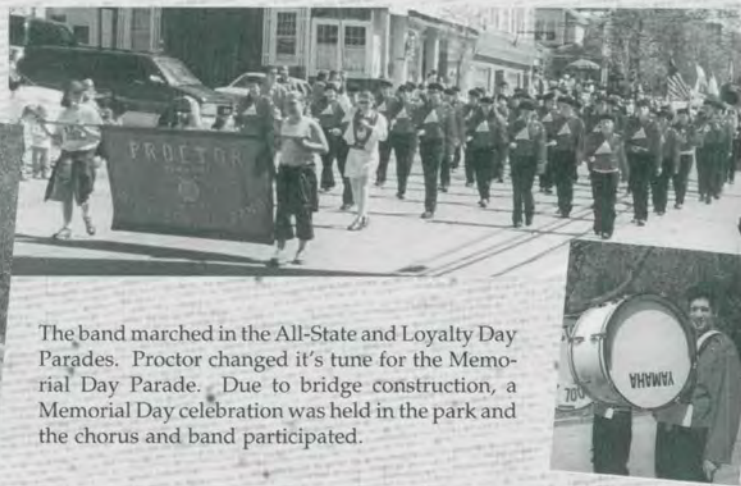

History Day

For the very first time, **American Studies** honors students represented Proctor in **Vermont History Day** by entering a display detailing Title IX: Women's Equality in Sports. They won first place with a superior rating and qualified for National History Day held in College Park, MD. It is *very* unusual for a first-time group to win first place and then go on to the national competition. While there, they took in the Washington D.C. sites and met with our senate and house representatives; Jim Jefferds, Patrick Leahy, and Bernie Sanders.

Year in Review

The band marched in the All-State and Loyalty Day Parades. Proctor changed it's tune for the Memorial Day Parade. Due to bridge construction, a Memorial Day celebration was held in the park and the chorus and band participated.

The 8th grade spent a few chilly days at the Hulbert Outdoor Center in April. They improved their team-building and problem solving skills as they worked their way through a high and low ropes course and other outdoor group activities.

NYC 2002

In March, the American Studies class took a 3-day trip to New York City. On the way down, they visited the Vanderbilt Mansion and F.D.R.'s Home and Museum. While in the city, they saw a Broadway show, visited the Navy aircraft carrier *Intrepid*, and took a ferry to view the Statue of Liberty and Ellis Island. Students toured NBC Studios, the United Nations, and the Empire State Building, and ate at the Hard Rock Cafe. The most moving part of the entire trip was the visit to Ground Zero. Memorials to honor missing loved ones and the solemn silence of the site will never be forgotten.

Senior Banquet

The Senior banquet was held at the Grist Mill restaurant. Seniors, staff, and families laughed and shed a few tears as they watched what has become a big tradition, the senior multimedia presentation.

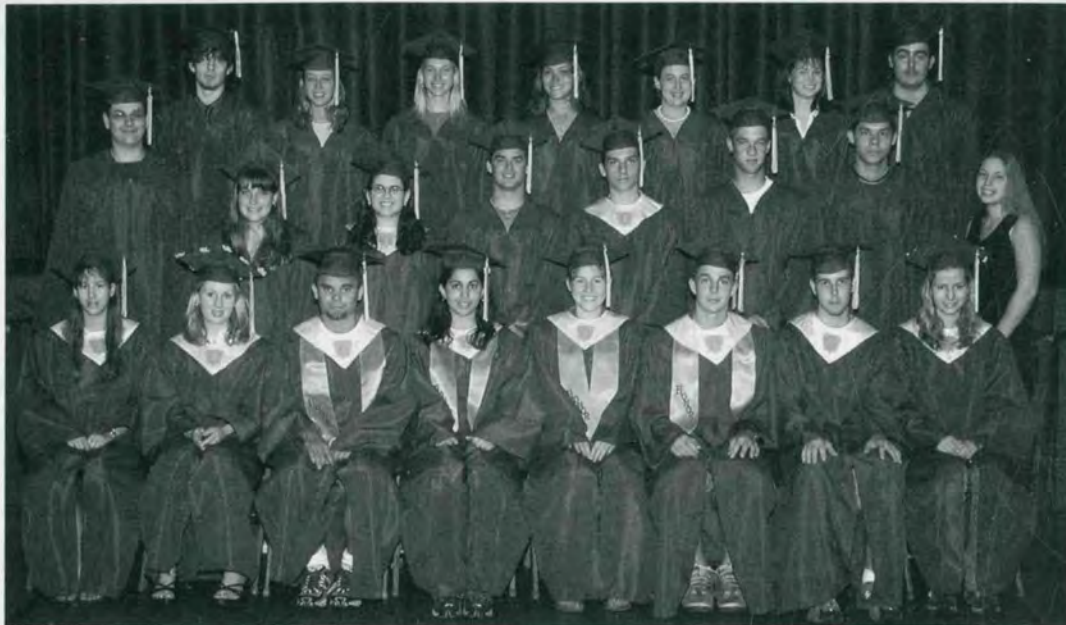

2002 Graduation

June 15, 2002; a day to celebrate! Graduation was held in the gym due to questionable weather but that didn't dampen the spirits of everyone present. 8 of the 14 members of Proctor High School's Class of 1952 came back to receive "gold" diplomas and to cheer on the 23 members of the Class of 2002. In his keynote address, Mr. Mott reminded graduates about how unusual their high school experience was in Proctor; as unusual to some as the one-room school house that we hear about in history books. With the awards given, diplomas in hand, and caps in the air, the graduates left the familiar Proctor stage, for perhaps the last time, to the tune of Green Day's "Good Riddance". Best wishes to the Class of 2002! "Never before, never again!"
